RIGHT SOLUTION
FOR YOUR BUSINESS

MEMBER SECTION WITH LOGIN

Keeping your customers in the loop can be time consuming and frustrating. N49 Interactive has developed a online system that can be added to your current site. By giving your clients their own username and password, they can login to view the status their project. This system helps keep the flow of information in one easy to use site so that everyone is on the same page.

MEMBER SECTION WITH LOGIN // DETAILS

- Users receive unique username and password
- Forgot password page and email
- Users can upload and download files
- Control who sees sensitive information on your website
