CONTESTS // DETAILS

Contests are a great way to get people excited about your business, as well as gain insight into your customers and web visitors. Contest entry forms are a great way of getting demographics and other useful information about who is visiting you on the web. N49 Interactive can help you use your website to facilitate a contest or giveaway. We ensure that the process is secure, both for contestants and your company.

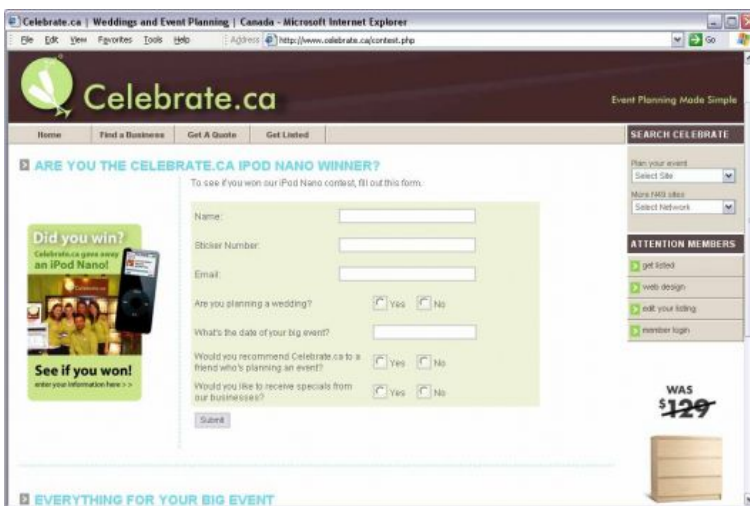

- Create interest in your brand
- Gain valuable demographics
- Totally secure

DAILY TRIVIA

Classical 96.3FM has small daily contests which they promote on air as well as large giveaways.

CELEBRATE.CA GIVEAWAY

To increase their presence in trade shows Celebrate.ca regularly gives away prizes which contestants must go online to claim. This also helps Celebrate.ca get insight into why and how people use their site.
